

NEW MEXICO MEDICAL REVIEW COMMISSION COMMITTEE

The Commission is the mandatory malpractice review panel consisting of volunteers from the medical and law professions. We *urgently* need attorney volunteers.

The medical-legal panels review malpractice cases before they can proceed to court. The panel has managed to ease the burden on the court system. Only 29% of the cases heard through the Commission are filed in court.

Hearings are Monday through Thursday at 7:00 p.m. in the conference rooms of the New Mexico Medical Society. The average case lasts 2½ to 3 hours.
Out-of-town panelists will be paid for mileage or reimbursed for airfare.

If you would like more information about the Commission, please contact Vicky Bolton at 828-0237 or 800-748-1596. Thank you for your participation in this program.
