

## Consumer Debt/Bankruptcy Workshop

### Attorney Volunteers Needed – Albuquerque and Las Cruces

The Consumer Debt/Bankruptcy Workshops are a joint community education project of the State Bar's Public & Legal Services Department and the Bankruptcy Law Section. The workshops have been in existence since approximately 1998, and are open to the public and publicized locally.

Workshops begin with a 1-hour presentation to the group audience. After the presentation, each person attending is able to meet individually with an attorney, and the attorney will make a recommendation.

The workshops are held in Albuquerque and Las Cruces, and the workshop dates can be found on our website at <http://www.nmbar.org/Public/workshops.html>. Albuquerque workshops are held at the State Bar of New Mexico and begin at 6:00 pm. Las Cruces Workshops are held at the Law Office of Kenneth Egan and begin at 5:30 pm.
