

## **Estate Planning/Probate Workshop Volunteers Needed**

Since Bankruptcy Workshops are so successful at the State Bar of New Mexico, we'd like to start a pilot project to hold Estate Planning/ Probate Workshops on a quarterly basis. Workshops will be held at the State Bar of New Mexico (dates to be announced).

Workshops will be sponsored by the State Bar of New Mexico and the Elder Law Section.

### **Workshop Presentation/Consultations**

Volunteer attorneys are asked to give a presentation to a group of people (approximately one hour). Attorneys give the presentation on a rotational basis. After the presentation, each person attending the workshop can register to meet with an attorney one-on-one for a consultation. If the individual is in need of further services, the attorney can choose to take the case (on a fee basis agreed to between attorney and client). **For more information call Lucas Schmidt at 797-6068.**
