

know the law before the law knows you

for teens & young adults

Become a part of a new project of the State Bar of New Mexico, **Know the Law Before the Law Knows You: For Teens and Young Adults**. This program provides New Mexico high school students on the brink of adulthood with basic information on a variety of legal subjects not covered in the usual school curriculum. We believe these sessions will greatly benefit their young adult lives.

A volunteer attorney will come to your school and present an information session on the below listed legal topics which are directed at high school students. The teacher, along with the students, may select the appropriate topics for the presentation. **Please submit the sign up form two weeks in advance of the presentation date.**

Visit www.nmbar.org/knowthelaw.html for more information.
