Section 2.1 Active Status Member.
An attorney who is on the roll of attorneys admitted to the practice of law by the Supreme Court of New Mexico shall maintain active status membership, unless granted inactive status in accordance with these bylaws. An active status member in good standing shall have full voting privileges, and shall be eligible to hold any elective or appointive office.

Section 2.2 Inactive Status Member.
An active status member shall become an inactive status member upon written request directed to the office of the Executive Director certifying that he or she will be retired or that he or she does not and will not be practicing law in New Mexico. Such request must be received in the State Bar office prior to February 1 of the year inactive status is to be granted. Inactive members have no voting rights and no right to notices. Inactive status members may choose to receive the Bar Bulletin electronically free of charge or may receive the paper publication upon payment of a publication fee in the amount to be determined by the Executive Director. To resume active status, a member must petition the Supreme Court and fulfill any necessary requirements imposed by the Supreme Court including payment of the appropriate fee.

Section 2.3 License Fees.
The annual license fees for active and inactive status members shall be determined and fixed by the BBC prior to January of each calendar year. Every member of the State Bar shall, prior to the first day of January of each year, pay to the Executive Director of the State Bar an annual license fee, which fee shall be determined and fixed by the BBC and approved by the Supreme Court prior to January of each calendar year. Active members whose dues are received after the first day of February will be assessed a late payment penalty of one hundred dollars ($100.00). their admission prorated for the number of full months remaining in the calendar year following the date of
their admission to the Bar. Whenever the BBC shall cause to be certified to the Supreme Court that any
member of the State Bar has failed or refused to pay the license fee or late penalty imposed herein, the Clerk
of the Supreme Court shall issue a citation to each such delinquent member requiring the member to show
cause before the Court, within fifteen (15) days after service of such citation, why he or she should not be
suspended from the right to practice in the courts of this state. Service of such citation may be personal or by
mail. The payment of such delinquent license fee on or before the return day of such citation, and payment
of accrued costs, shall be deemed sufficient showing of cause, and shall serve to discharge the citation.
The BBC may waive all or part of any license fee in cases of extreme individual hardship. Any member
suspended because of noncompliance with Supreme Court rules governing the practice of law shall not be
reinstated until they have fully complied with and paid all penalties and fees.
All monies collected by the Executive Director of the State Bar in accordance with this rule shall be deposited
in an account designated as State Bar of New Mexico general fund and shall be disbursed by order of the
BBC in carrying out its functions, duties and powers.

Section 2.5 Voluntary Withdrawal.
Any attorney in good standing and without a pending disciplinary action shall notify the Supreme Court in
writing for voluntary withdrawal as a member of the State Bar. Upon the filing of such petition, the court may
enter an order terminating his or her membership in the State Bar, and he or she shall not thereafter be
entitled to practice law in the courts of this state. No order of suspension for failure thereafter to pay the
annual bar license fee will be entered against such member, and the withdrawal will not prejudice his or her
record or standing during the period of his or her membership in the State Bar. To resume active status, a
member must petition the Supreme Court and fulfill any necessary requirements imposed by the Supreme
Court including payment of the appropriate fee.

The annual fee shall be determined and fixed by the BBC prior to January of each calendar year.

Section 2.9 Affiliate Members.

The State Bar recognizes as affiliates, without the rights and privileges of membership, members of the legal profession not licensed to practice law in New Mexico, but who are licensed to practice law in another state and are in good standing in active or inactive status in all jurisdictions in which they are licensed. An affiliate membership is not a license to practice law in New Mexico. Affiliate members may be furnished copies of State Bar publications and may be entitled to attend and participate, without the right to vote or hold office, in
those meetings and activities conducted by the State Bar and of its component parts or sections. The annual fee shall be determined and fixed by the BBC prior to January of each calendar year.

ARTICLE VII

BUDGET

Section 7.1 Preparation.

The Executive Director, with the assistance of a Finance Committee appointed by the President, shall prepare and submit a proposed annual budget to the BBC no later than the second to last meeting of the year.

Section 7.2 Budget Procedures.

The budget procedures shall be as follows:

a. The Finance Committee will prepare a proposed functional budget which will topically categorize expenditures by major categories and allocate these expenditures according to whether the expenditure is chargeable or non-chargeable to dues.

b. The BBC will review and approve the budget no later than the second to last meeting of the year.

c. An independent auditor will prepare a verification that the charges attributable and allocated to each activity or category of expenditures is a reasonable forecast in accordance with the guidelines established by the American Institute of Certified Public Accountants. The auditor will also prepare a verification of chargeable and non-chargeable expenses from the most recent year in which audited information is available and will verify that such expenses are fairly presented.

d. The State Bar shall publish a notice in the Bar Bulletin advising that the Budget Disclosure document is posted on the State Bar Web site with a detailed explanation of each member’s right to deduct from his or her dues payment the proportional share of any non-chargeable expenses identified in the budget and to object to any of the chargeable expenses in the budget on the grounds that a challenged expenditure is not for the permissible purpose of regulating the profession or improving the quality of legal service to the people of the State of New Mexico (See Keller v. State Bar of California, 496 U.S. 1 (1989)) or that an error was made in calculating a non-chargeable expense. At least thirty days from the date of publication of the budget will be allowed for written challenges.

e. In the event challenges are received, the BBC at its next regularly scheduled meeting or at a special meeting will consider the challenges. The BBC may remove the challenged activity from the budget, may give a pro rata refund to the challenger, or may submit the dispute to the New Mexico
Supreme Court or its designee for an impartial decision. The BBC or a challenger may specifically request that the New Mexico Supreme Court appoint another impartial decisionmaker.

f. The dispute shall be heard as expeditiously as possible. The Bar will bear the burden of showing that the financial disclosures are accurate and that the challenged matters are within the scope of permissible activities for which mandatory dues may be used under Keller. Upon request, a challenger will be given reasonable access to information relevant to the challenge which is available or within the control of the Bar. The challenger shall be given an opportunity to present evidence and to present written arguments in support of a challenge. The decisionmaker will issue a written decision on whether the challenged expenditure is chargeable or non-chargeable to mandatory dues and whether the disclosed expense for a non-chargeable expense is accurate. The decisionmaker shall also determine the amount of refund, if any.

g. If the decision is rendered before the dues are payable and the decision is that the expenditure is non-chargeable, then the BBC may decide to eliminate the expenditure from the budget or to allow the challenger to deduct the pro rata portion from the annual dues. If the decision is not rendered before dues are payable, the BBC shall escrow the challenged portion of each challenger’s dues into a separate interest bearing bank account and in the event of a decision that the expenditure is non-chargeable, will immediately pay each challenger the applicable pro rata share of dues together with accrued interest.

h. The BBC will submit on or before January 1 its proposed budget to the Supreme Court for approval. The Court’s approval will be subject to the challenge procedures outlined above but the existence of challenges will not preclude approval of the remainder of the budget.

Section 7.3 Budget Limits and Approval Authority.

Expenditure categories or line items in the annual budget as approved by the BBC shall be deemed to be limits on such expenditures, and any line item or expenditure which would exceed or increase the budget or any non-budgeted item, which is an item that was included or anticipated in the final budget, must be approved by the BBC.

Section 7.4 Monthly Financial Reports.

Regular monthly financial reports shall be submitted by the Finance Committee to the BBC at each regular meeting, showing income and expenses each month and the year-to-date as compared to the budget.

Subsection 9.1 b Relationship between the State Bar and Sections

The sections shall give notice and a copy of all reports, publications, recommendations or actions of the section that are announced or distributed outside of the section’s membership prior to announcement or distribution outside of the section’s membership to the Executive Director of the State Bar. Subsection 9.2 a Standing Committee.

Standing Committees serve to strengthen the profession, provide resources to members, improve public understanding of legal issues and process, or increase access to the legal system and may be funded by the committee budget pool. Proposed budgets shall be submitted by each standing committee to the BBC prior to the budget meeting upon request from the Finance Committee. Membership is open to all members of the State Bar, but some committees are limited in size or require particular qualifications.

Subsection 9.2 b Internal Committee.

Annual written reports of all sections and standing committees, with their recommendations, shall be presented to the Executive Director of the State Bar by December 31. If a section or standing committee does not submit

Section 9.4 below.

Section 9.4 Annual Review of Sections and Committees.

The BBC or its designee shall establish a sunset date for each section and standing or special committee
that shall be on December 31 of a selected year. On or before September 1 of the sunset year, a member or
members of the Bar may petition the BBC to continue the section or standing or special committee. If no
member of the Bar petitions the BBC to continue the section/standing or special committee, it will
automatically cease to exist on its sunset date unless the BBC on its own motion votes to continue the
section/standing or special committee. The petition must contain reasons why the section/standing or
special committee should be continued. If the BBC determines that the petition contains sufficient reason to
continue the section/standing or special committee, it will be continued. Otherwise, the section/standing or
special committee will be abolished. If a section/standing or special committee is continued beyond its
sunset date, it will be subject to sunset again in five years, at which time the petition process set forth in this
section will be required to continue the section/standing or special committee.

Section 9.5 Bylaw and Policy Compliance by Sections and Committees.

present. The President must set forth his proposed make up of the Commission prior to the vote for its
approval by the BBC. A Commission may consist of individuals who are not members of the State Bar of New
