Independent Auditors’ Report

To the Board of Bar Commissioners
State Bar of New Mexico and
    New Mexico State Bar Foundation
Albuquerque, New Mexico

We have audited the accompanying combined statement of financial position of State Bar of New Mexico and New Mexico State Bar Foundation (collectively, the Organization), both not-for-profit corporations, as of December 31, 2011, and the related combined statements of activities and cash flows for the year then ended. These combined financial statements are the responsibility of the Organization’s management. Our responsibility is to express an opinion on these combined financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall combined financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2011, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - DEFINITION OF REPORTING ENTITY

State Bar of New Mexico (State Bar) was incorporated under the laws of the State of New Mexico in 1978. Prior to 1978, State Bar operated as an agency of the Supreme Court of New Mexico, established by State Statute on March 17, 1925. The purposes of State Bar are to aid the courts in administering justice and preserving the rule of law and to foster a high standard of integrity and competence within the legal profession. State Bar’s activities include collection of dues; publications, including a Bar Bulletin and a Bar Directory; and development and promotion of programs for the membership and the public, such as annual meeting, membership programs, public legal education and information, lawyer referral, and technology.

New Mexico State Bar Foundation (the Foundation) started business as of January 1, 1991, and was incorporated under the laws of the State of New Mexico on February 18, 1991. The Foundation and State Bar are governed by an interlocking board of directors, whereby all the director positions of the Foundation’s board must concurrently be serving as a director on the board of State Bar. Therefore, as State Bar has a controlling financial interest in the Foundation, their financial statements have been combined as required by accounting principles generally accepted in the United States of America, collectively referred to as the Organization. Significant intercompany accounts and transactions are eliminated in consolidation.

The purposes of the Foundation are to provide high quality, affordable, professional training and education programs and services primarily to the New Mexico legal community. Additionally, the Foundation sponsors, promotes, and assists social welfare projects and programs for the benefit and well-being of persons in the State of New Mexico, including projects and programs for the family, the elderly and the youth of New Mexico. Such projects and programs may, but are not required to, relate to legal services for needy and elderly persons and victims of neglect. The Foundation’s educational services also include producing live seminars, live legal educational teleconferences and audio/video recording, as well as providing customized programs for local bar associations, law firms and other professional organizations to meet special training needs.

The Foundation is organized exclusively for charitable and educational purposes, including making distributions to organizations that qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue Code of 1986 (or any corresponding future United States Internal Revenue Code revision).

Programs of State Bar

State Bar’s principal programs are comprised of:

**Communications** - Publishes a weekly Bar Bulletin, and the annual Bench and Bar Directory for State Bar members and other interested individuals and subscribers. Communications also manages public legal education programs and publications, produces public legal information pamphlets and handles printing/production jobs for internal and outside entities.
NOTE 1 - DEFINITION OF REPORTING ENTITY (CONTINUED)

Programs of State Bar (continued)

Membership Programs and Services - Services offered by State Bar to its membership include:

Affinity Program - Vendors participating in the State Bar’s Affinity Program provide savings on products and services to members. Companies offering discounts on insurance, financial services, travel and office supplies, to name a few, participate.

Annual Meeting - The State Bar and Continuing Legal Education collaborate on putting the Annual Meeting together. The State Bar will present awards to recognize those who have distinguished themselves or who have made exemplary contributions to the State Bar.

Committees - Standing committees that plan and support special membership programs and benefits.

Divisions - Young Lawyers Division, Senior Lawyers Division and Paralegals Division.

Membership Labels - Mailings to membership.

Online Legal Research - The Board of Bar Commissioners has entered into a contract with Fastcase to provide free online legal research for State Bar members.

Professional Development Center - The Bar Center offers use of rooms as a service to members of the State Bar. They are also available to rent for interested parties.

Legal Services to the Public – State Bar funds committees and programs that support legal services to the people of New Mexico. State Bar also provides financial support to the Public Legal Services Department of the Foundation. Several public education and legal services programs are sponsored by the Young Lawyers Division (YLD), including the Legal Clinic, Law Week, Voices Against Violence, Wills for Heroes and Federal Emergency Management Agency (FEMA). State Bar provides administrative support to Equal Access to Justice (EAJ) for the campaign to support public legal service providers.

Mentorship Program – Approved by the New Mexico Supreme Court through NMRA 24-110, the Bridge the Gap mentorship program pairs new lawyers recently admitted to practice with experienced lawyers who serve as mentors for a twelve month period. Mentors and new lawyers meet a minimum of 12 times, seven of which must be in person, to discuss the practical issues in the practice of law and to complete activities chosen from a mentoring curriculum.

Regulatory Program – General Counsel

The Office of General Counsel is a professional office that assists the State Bar and the Bar Foundation with policy and regulatory functions of an integrated bar. Specifically, its functions are to protect the legal and policy interest of the State Bar; assist in governance
NOTE 1 - DEFINITION OF REPORTING ENTITY (CONTINUED)

Programs of State Bar (continued)

and regulatory functions; provide a professional legal resource for leadership, volunteers and staff; assist with outreach to the judiciary; and advise in the areas of legislative, executive and judicial processes. In addition to the internal support provided to the State Bar as noted above, the Office of General Counsel advises, provides legal support and administers the following programs:

Attorney Helpline (member and non-admitted) provides members of the State Bar and non-admitted attorneys information and referrals in areas of attorney regulation, registrations, rules and practice.

Client Assistance Information provides members of the public with information pamphlets concerning their relationship with their attorney, including advising on issues such as communication, billing, client files and fee disputes.

Client Protection Fund administers the Client Protection Fund Commission, which investigates claims against lawyers on issues regarding reimbursable losses caused by a lawyer’s misappropriation of client funds or other dishonest conduct.

Ethics Assistance for Attorneys includes the following:

- Advisory Helpline provides quick ethics answers to questions posed to the ethics helpline.
- Ethics Advisory Opinions are archived and searchable by date of issue or by topical index on the State Bar’s website.
- Ethics Advisory Committee assists lawyers with questions regarding one’s own conduct in relation to the New Mexico Rules of Professional Conduct. The committee provides written formal and informal responses to inquiries from the membership.

Free Arbitration Program provides fee arbitration to resolve fee disputes between attorneys and their clients or disputes between attorneys. This free program is designed to provide an efficient and confidential alternative to litigation.

Judges and Lawyers Assistance Program assists judges and lawyers with mental illness, emotional distress and substance abuse with the support they need.

Lawyers Professional Liability and Insurance Committee advises the State Bar regarding risk management activities and provides information on professional malpractice insurance for members.

Pro Hac Vice - Pursuant to Rule 24-106 NMRA, the State Bar of New Mexico collects a registration fee of $250 from non-admitted attorneys intending to appear in civil actions before New Mexico courts. The State Bar holds these fees in a special fund (the State Bar Pro Hac Vice Fund) which must be distributed at least annually to nonprofit organizations providing or supporting the provision of civil legal services to the poor.
NOTE 1 - DEFINITION OF REPORTING ENTITY (CONTINUED)

Programs of State Bar (continued)

The State Plan for delivery of civil legal services is to be used as a guide for distribution of these funds and as the State Plan is revised, these guidelines may also be revised.

Practice Area Sections - 20 voluntary groups relating to practice areas. Within the State Bar, there are various practice areas, or industry groups, called Sections. Each Section is given an annual budget and maintains its own designated piece of the Organization’s net assets as stated in Section Bylaws, Article 9.1 of Section Finances. The Section’s fund balance on December 31st of each year shall be considered carryover funds and shall be included in the Section’s budget for the coming fiscal year. All funds in excess of one year’s worth of dues will be forfeited and transferred to the State Bar General Account. Should the Section be saving funds for a future activity, the Section may request additional funds of the Finance Committee. The request should include a plan detailing the ways in which the excess funds would be spent in the following year and a budget.

Governance - Board of Bar Commissioners (the Board) is established by Supreme Court Rule 24-101C as the governing board of the State Bar. The Board is responsible for overseeing the Executive Director, Committees, Commissions, Divisions and Task Forces and makes decisions to fulfill the mission of improving the quality of legal services to the citizens of New Mexico. The Board meets four to eight times a year, and in 2011 they had five regularly scheduled meetings. While Board members receive no compensation, they do receive mileage and per diem allowances for travel, in accordance with the State of New Mexico and IRS travel policies.

Programs of the Foundation

The Foundation’s principal programs are comprised of:

Center for Legal Education (CLE) - Provides high quality, affordable, professional training and education programs and services to the New Mexico legal community. CLE offers a full range of educational services, including live seminar programs, live legal education teleconferences, audio and video recordings, publications and other professional services to meet special training needs.

Legal Services to the Public - Provides programs, activities and opportunities for both members of the bar and the public:

Lawyer Referral for the Elderly Program (LREP) - LREP is a legal services provider program for the elderly. LREP assists individuals 55 years of age and older in finding legal representation for civil legal issues by referring cases to volunteer attorneys throughout New Mexico. LREP provides program participants with legal advice and information and conducts workshops and clinics to provide legal information to senior citizens. LREP is funded by the State of New Mexico Aging and Long-Term Services Department. The funds received from agencies and private foundations are restricted for use by LREP and are subject to possible future cutbacks due to change in funding priorities.
NOTE 1 - DEFINITION OF REPORTING ENTITY (CONTINUED)

Programs of the Foundation (continued)

Bridge to Justice Referral Program (BTJ) provides a variety of referral services ranging from referring cases received from the state’s legal services corporation providers, to pro bono referrals from the public, to full fee referrals. Lawyers Care provides referrals to the general public for a fee to the caller of $30.

Young Lawyers Division - Sponsors public service programs such as the Legal Clinic, Law Week, Voices Against Violence, Wills for Heroes and FEMA.

Membership Programs and Services - Includes Annual Meeting and social and networking opportunities.

Governance - The Board will evaluate State Bar’s progress in meeting its mission, goals and objectives, and will continue strategic planning for State Bar’s future priorities and programs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates in Preparing Financial Statements

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Basis of Presentation

Combined financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Section 958, Not-for-Profit Entities. Under section 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. The Organization reports unrestricted net assets and temporarily restricted net assets at December 31, 2011. The Organization did not have any permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the combined statement of cash flows, the Organization considers all interest-bearing deposits with original maturities of three months or less to be cash equivalents. Certificates of deposit with original or remaining maturities greater than three months are not considered cash equivalents.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Management utilizes the allowance method of accounting for receivables arising from program services. Management believes that substantially all receivables from program services are collectible. Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Changes in the valuation allowance have not been material to the financial statements. The Organization had an allowance of approximately $4,000 for uncollectable receivables as of December 31, 2011.

Property and Equipment

Property and equipment are recorded at cost for purchased items and at fair market value at the date of contribution for donated items. Depreciation is calculated using the straightline method over the estimated useful lives of the individual assets, which range from one to thirty-nine years. The Organization capitalized all assets with a value of $500 or greater and an estimated useful life of greater than one year until the end of April. During the April 29, 2011 Board of Directors meeting, the board approved to increase the capitalization policy to $3,500. Depreciation expense totaled $217,250 for 2011.

During 2011, the Organization removed from their capital asset listing assets with an original cost in the amount of approximately $980,000, in which the assets were fully depreciated.

Inventories

Inventories are stated at the lower of cost (first-in, first-out basis) or market.

Revenue Recognition

Dues, subscriptions, and advertising are recognized as revenue in the period to which they relate. Amounts collected in advance are recorded as deferred revenue until earned.

Dues designated for the operation of the Bar Center are recognized as revenue in the period to which they relate. Amounts collected in advance are recorded as deferred revenue until earned.

Financial Instruments

The Organization’s financial instruments, subject to FASB ASC Section 820, Fair Value Measurements and Disclosures, include certificates of deposit, receivables, accounts payable, capital leases, and debt. The carrying amounts of certificates of deposit, receivables and accounts payable, because of their current nature, approximate fair value. Obligations under capital leases and debt are based on terms and interest rates consistent with the current market, which by their nature, approximate fair value.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentration of Credit Risk

Financial instruments that potentially subject the Organization to concentration of credit risk consist principally of cash and equivalents and trade accounts receivable.

The Organization maintains its cash and cash equivalents in accounts which, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on these accounts. Credit risk with respect to trade accounts receivable is generally diversified due to the large number of parties comprising the Organization’s member and customer base.

Net Assets and Changes Therein

Net assets and income, expenses, gains and losses are classified based on the existence or absence of source-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted - Unrestricted net assets represent those resources that are not restricted by their source, or for which source-imposed restrictions have expired. Included in unrestricted are mandatory dues fees that are designated for the Pro Hac Vice and Client Protection Fund programs.

Temporarily Restricted - Temporarily restricted net assets reflect source-imposed restrictions that require the Organization to use or expend the related assets as specified. The restrictions are satisfied either by the passage of time or by the satisfaction of source specified purposes.

The Organization records contributions as temporarily restricted if they are received with donor stipulations that limit their use through either purpose or time restrictions. When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Temporarily restricted contributions received and expended in the same accounting period are recorded in the unrestricted net asset category. The Organization reports both unrestricted net assets and temporarily restricted net assets at December 31, 2011.

Contributions

All unconditional contributions to the Organization, including promises to give, are recorded as income when the promises are made. Conditional contributions are recognized as income when the conditions on which they depend have been substantially met. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

Functional Classification of Expenses

Expenses are presented on a functional basis allocated among the Organization’s various programs, including management and general. Expenses and support services related to a specific program are allocated directly according to their natural expenditure classification.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Other expenditures that are common to several programs are allocated based on various relationships, such as square footage, direct labor or periodic time and expense studies.

Advertising Costs

The Organization expenses advertising costs as incurred. Expenses incurred for the year ended December 31, 2011 were $52,677.

Income Taxes

State Bar is exempt from federal income tax under Section 501(c)(6) of the Internal Revenue Code. Income from food services provided for the benefit of the Professional Development Center, as well as advertising, subscriptions and publishing not directly related to State Bar’s tax exempt purpose, is subject to taxation as unrelated business income. However, unrelated business income activities net of related costs do not generally result in taxable income.

The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. As such, its normal activities do not result in any income tax liability. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

The Organization adopted the FASB’s requirements for accounting for uncertain tax positions on January 1, 2009. The Organization determined that it was not required to record a liability related to uncertain tax positions as a result of implementing the new requirements.

As of December 31, 2011, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2009 forward.

Sales Taxes

Taxes assessed by various governmental authorities on sales transactions are recorded as a liability and included in accrued expenses on the accompanying balance sheet, until remitted to the applicable authorities. Such taxes are not included in revenues or expenses.

Subsequent Events

Management evaluated subsequent events through May 1, 2013, the date the financial statements were available to be issued. Events or transactions occurring after December 31, 2011, but prior to May 1, 2013, that provided additional evidence about conditions that existed at December 31, 2011 have been recognized in the financial statements for the year ended December 31, 2011. Events or transactions that provided evidence about conditions that did not exist at December 31, 2011, but arose before the financial statements were available to be issued, have not been recognized in the financial statements for the year ended December 31, 2011.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

Bar Center

In February 1989, the Supreme Court of New Mexico authorized State Bar to acquire land and build a Bar Center at the Journal Center in Albuquerque. Also authorized was a $25 increase in mandatory membership dues to finance the project. State Bar acquired approximately 2.2 acres of land at the Journal Center for this project. The Foundation and State Bar entered into an agreement dated October 13, 1995, to acquire interest in the Bar Center as tenants-in-common. The Foundation is a 501(c)(3) corporation authorized to receive charitable donations for the Bar Center project. State Bar’s interest in the Bar Center, following the Foundation’s final buy-in, is approximately 63 percent. State Bar’s interest in the Bar Center was largely funded through mortgage debt.

Retirement Plan

The Organization provides a Retirement Savings Plan for its employees who attain an age of 18 and complete one year of service. This plan allows participants to make contributions by salary reduction pursuant to Section 401(k) of the Internal Revenue Code. The Organization matches contributions equal to 100 percent of the employee contribution up to five percent of the employee’s annual compensation. The amount elected to be deferred by the employee cannot exceed the limitations prescribed by law. Employees vest immediately in their contributions and vest in the Organization’s contributions over a five-year period of service. The Organization’s contributions to the plan in 2011 were $42,127.

Cafeteria Plan

The Organization adopted a “Cafeteria Plan” under the provisions of Section 125 of the Internal Revenue Code, effective February 1, 1991. The plan permits eligible employees of the Organization a choice between cash compensation and various nontaxable benefits. Employees are eligible to participate in the plan if their customary employment consists of at least 1,000 hours per year and they have completed 30 days of service with the Organization.

Member Challenges

On an annual basis, State Bar is required to publish and distribute to its membership the State Bar’s budget for the upcoming year. The members are then given the opportunity to dispute the State Bar’s position as to whether a proposed future expenditure is germane to the practice of law in New Mexico. In the event a member does challenge the nature of the activity, State Bar may be required to refund to that particular member a portion of his/her membership dues equal to his/her share of the financial burden related to that activity. During 2011, there were no refunds of membership dues made related to these challenge proceedings.

LREP

The Foundation receives a significant portion of its revenue for LREP from federal and state awards. LREP received $205,670 from LREP Aging and Long-Term Services and $189,282 from Civil Legal Services. Due to possible cutbacks and changes in funding priorities, it is uncertain whether LREP will be awarded those grants/contracts in the future.
NOTE 9 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

Claim Contingencies

The Organization is subject to claims that arise in the ordinary course of its business; however, the Organization carries insurance for the majority of these claims. In the opinion of Management, based on the advice of counsel, the amount of the ultimate liability with respect to these pending claims will not materially affect the financial position, results of operations or liquidity of the Organization.
