Discussed the purchase of a new tape backup system for the State Bar data, as the current one does not meet capacity; three proposals were submitted, and the committee recommended approving the proposal by Lighthouse for $8,600, which would be a non-budgeted expense for 2009; Commissioner Voss made a motion to accept the Lighthouse proposal for $8,600 and the motion passed;
H. Reported that the State Bar’s investments will be moved from the current investor at Wells Fargo to another investor; the new investor informed the Bar that the current investment policy is too restrictive for smaller banks, and the committee authorized Secretary-Treasurer Voss and Madonna Vandeventer to discuss the issue with the new investor and to bring any amendments to the investment policy to the Executive Committee; and

The IP Section was created last year and nine other sections have this provision in their bylaws. The committee recommended approval of the bylaw amendment. Commissioner Berlin made a motion to approve the amendment and the motion passed.

   **B. Videoconferencing Policy**

   At the December meeting, the Board requested the Bylaws/Policies Committee to draft a policy for use of the videoconferencing equipment, and the committee recommended approval of the policy. The Board requested amendments as follows: permitting the host the option of extending the hours beyond 7 p.m. at a previously agreed upon rate; removing the wording regarding sections and committees having priority booking; changing the rate from $70 to $150 per hour for non-admitted attorneys; adding a cancellation clause that if a booking is cancelled within 15 days or less, there will be a charge of one hour's usage; and allowing the host offices to rollover any unused time up to a maximum of 36 hours for one year. A contract will be drafted for the law firm hosts to be reviewed by the committee and approved by the Executive Committee, if finalized prior to the May 15th meeting. Commissioner Berlin made a motion to approve the policy with the amendments and for the Executive Committee to approve the contract, and the motion passed.

   **C. Confidential Material Policy and Bylaw Amendment to Article IV, Section 4.2c**

An amendment was also made to the State Bar Bylaws, Article IV, Section 4.2(c), Removal of Officers and Commissioners. Thirty days’ notice is required prior to approval, so a vote will be taken at the May meeting.

8. Annual Awards Committee Report and Recommendations

The Annual Awards Committee met on February 10th and Chair Dan Behles reported on the committee's recommendations for the Bar's annual awards. 9. Recommendations for the 2009 Pro Hac Vice Grants

The committee recommended asking the Court to support an annual dues increase of zero (0) to five (5) percent to be determined by the Board annually during the budgeting process to help fund State Bar programs and possibly the Client Protection Fund and to also ask the Court to support charging the Federal judges bar dues, as New Mexico is the only state that does not charge Federal judges dues. President Alaniz will send a letter first asking to be put on the Court's agenda to discuss these issues. Commissioner Voss made a motion to approve the recommendations; the motion was seconded and it passed.

11. Discussion Regarding Unauthorized Practice of Law

Commissioner Shanor has received complaints from members about non-licensed attorneys coming into New Mexico from El Paso and taking depositions in New Mexico cases of New Mexico witnesses and not getting admitted pro hac vice. He would like to have a rule in place that makes them subject to pro hac vice. He also expressed concern over the number of times an attorney can get admitted pro hac vice noting that one attorney got admitted 11 times in one year. Commissioner Shanor made a motion to put together a task force to look at pro hac vice and the recurring problem of unauthorized practice of law. Commissioner Dutton requested that the task force also look at firms who have one attorney admitted under pro hac vice and then another attorney in the firm appears in court; the motion was seconded and it passed. General Counsel Richard Spinello stated that the Court will be supportive of this task force and may want to have a representative. Former UPL Chair Orlando Lucero should also be invited to serve. Commissioners Larkin, Jacquez, Voss, Jarrett, Alsup, Pool and Berlin volunteered to serve on the task force.

12. President's Report

President Alaniz reported on the following:

B. Disciplinary Board Update

In follow up from the meeting with Chief Justice Chavez regarding the collection of disciplinary fees, Paul Fish, Disciplinary Board Chair, sent a letter outlining the terms of the meeting and the agreement between the State Bar and the Disciplinary Board for the collection of the fees. The State Bar will collect the disciplinary fees and send a check or do an electronic transfer to the Disciplinary Board by the 15th of each month and will invoice the Disciplinary Board two percent of the fees collected.

C. 2009 Annual Meeting

The programming for the 2009 Annual Meeting, which will be held July 9-12 at the new Buffalo Thunder Resort in Pojoaque, is coming together and the brochure will be published in the April 6th Bar Bulletin as an insert.

D. Summit

The first summit with the regulatory boards was held in December at the Supreme Court and will continue on a quarterly basis. At the end of the year, the regulatory boards will meet with the Court again to report on the progress that has been made.

14. Bar Commissioner Districts and Divisions (SLD, YLD and PD) Reports

Due to possible time constraints, President Alaniz had requested commissioners to provide written reports if they had something to report at the meeting. YLD Chair Martha Chicoski distributed a report highlighting the division's activities, including the ABA/YLD Midyear Meeting in Boston, the UNM/YLD Mock Interview Program, the ABA/YLD Public Service Award, the Children’s Court Mentorship Program, Wills for Heroes, and Junior Judges.

http://www.nmbar.org/AboutSBNM/divisions.html for divisions
16. **New Business**

A. President Alaniz reported that Chief Justice Chavez contacted him and asked him to speak before the Legislature on behalf of the Court in support of electronic filing and assistance with funding for fees, but he did not have the Board’s authority nor would he have been able to obtain the Board’s authority with such short notice. The Board had approved a resolution in support of electronic filing in 2006 but did not support assistance with funding. The bylaws permit lobbying, but there is a process that needs to be followed first. Following discussion, Commissioner Wolf made a motion for the Bylaws and Policies Committee to review the current lobbying provisions in the bylaws and to make recommendations for a more effective and efficient process and response by the State Bar.

B. General Counsel Richard Spinello reported that the rule dealing with malpractice insurance was published in the *Bar Bulletin* soliciting comments and commissioners should direct their constituents to forward formal comments to the Court.

B. Reviewed the accounts receivable aging report as well as the directors’ travel reimbursements and credit card file; and
C. Reported that credit card fees are less for online payments and recommended only permitting credit card payments to be made online; Commissioner Behles made a motion to approve the recommendation and the motion passed.

3. Acceptance of Financials

President Alaniz reported on the revised format for the financial statements with the new accounting software. The Finance Committee and the Board now receive summarized financials along with detailed financials and the summarized financials will be used to portray a clearer picture of where the Bar stands at any given time. He noted that additional adjustments still needed to be made, but we will now have a better prediction of the Bar’s financial status at year end. 5. **Fee Waiver Requests**

6. **Bylaws/Policies Committee Report and Recommendations**

Chair David Berlin reported on the April 13th meeting and requested the Board's approval of the following:

**A. International and Immigration Law Section Bylaw Amendments**

The International and Immigration Law Section requested amendments to its bylaws to add a provision for a law student member and the committee recommended approval. Commissioner Berlin made a motion to approve the bylaw amendments and the motion passed.

**B. Public Law Section Bylaw Amendments**

The Public Law Section requested amendments to its bylaws to add a public member back on its board, which it had eliminated in 2004, and the committee recommended approval. Commissioner Berlin made a motion to approve the bylaw amendments and the motion passed.

**C. Bar Bulletin Cost for Electronic Version to Non-Members**

The Board tabled this item from the February meeting and requested the committee to determine a price for the electronic version of the Bar Bulletin for non-members for the Board's consideration. The price for the subscription had previously been set at $125 and the committee recommended that the price remain the same at $125, whether electronic or hard copy, for non-members, as there are fixed costs associated with the production of the publication. Following discussion, Commissioner Berlin made a motion to approve the recommendation requiring non-members to pay $125 for the electronic subscription of the *Bar Bulletin* and the motion passed with one nay and one abstention.

**D. State Bar Bylaw Amendments to Article IV, Section 4.2 and 4.3**

The term of office for commissioners, which commences January 1, was not spelled out in the bylaws and there was inconsistency with a board vacancy term which runs through the election date of November 30 and the actual commissioner term which runs through December 31, so amendments were proposed to those two sections of the bylaws, and the committee recommended approval. The same amendments will need to be made to the Rules Governing the Bar with the Court's approval. Thirty days' notice of State Bar Bylaw amendments is required prior to approval; in order to meet the 30-day notice requirement, the amendments were e-mailed to the Board on April 14 and the committee recommended approval. Commissioner Berlin made a motion to approve the bylaw amendments and the motion passed. Commissioner Martinez questioned partial terms and whether they were in addition to the three three-year terms. The Board referred the issue back to the committee to address and make a recommendation for the Board's consideration.

**E. State Bar Bylaw Amendment to Article XIII, Section 13.1**

Rule 23-106 allows the Board to appoint a liaison to each standing, special or temporary committee for a term of one year. General Counsel Richard Spinello suggested that the list of all of the committees be removed from the State Bar Bylaws, since they are listed in the rule and this will eliminate the need to amend the bylaws each time a new committee is added or
removed. Thirty days’ notice of State Bar Bylaw amendments is required prior to approval; in order to meet the 30-day notice requirement, the amendments were e-mailed to the Board on April 14 and the committee recommended approval. Commissioner Berlin made a motion to approve the bylaw amendment and the motion passed.

F. Discuss Bylaws Regarding Lobbying

At the February meeting, the Board discussed lobbying before the Legislature and asked the committee to review the current provision in the bylaws regarding lobbying and to make recommendations for a more effective and efficient response by the State Bar. The committee recommended that the Board appoint a committee to monitor bills and advise the Board whether to support or oppose them. The committee also recommended that the Board appoint one or more Legislator to the committee who would assist with locating bills that would be relevant to the Board and the membership. Following discussion regarding the committee’s charge and the lobbying requirements, the Board referred this item back to the committee to discuss further.

G. Discuss Mailing Extracts and Birth Dates

John Edward, a disability insurance provider and participant in our Member Benefits Program, requested that member birth dates be included in the extracts that we provide for his mailings, so that he can send targeted messages to people of different ages. The committee recommended not approving this request. Following discussion, Commissioner Berlin made a motion to not provide birth dates or age ranges to any entity and the motion passed with two nays. The Board requested the committee to review the Membership Data Policy with all of the exceptions and make any necessary revisions to the policy for the Board’s consideration.

H. State Bar Bylaw Amendment to Article IV, Section 4.2c

The ABA Operational Assessment recommended adopting a Confidentiality Policy for the Board; the policy was approved at the February meeting and an amendment was also made to the State Bar Bylaws, Article IV, Section 4.2c, adding a violation of a fiduciary duty to the definition of cause. Thirty days’ notice was provided at the February meeting and the committee recommended approval. Commissioner Berlin made a motion to approve the amendment and the motion passed.

7. Appointments to DNA People’s Legal Services Board

Two vacancies existed on the DNA People’s Legal Services Board for two-year terms. A notice was published in the Bar Bulletin, and the following submitted resumes and letters of interest:

B. Diandra Benally
C. Jennifer Lee Bradley

Following a vote by secret ballot, Theodore W. Barudin and Jennifer Lee Bradley were appointed to the DNA People’s Legal Services Board for two-year terms.

8. Approval of Public Legal Education Commission Bylaws

PLEC Chair Craig Orraj reported on the newly created Public Legal Education Commission, which was approved by the Board last year and replaced the Bar’s Public Legal Education Committee. He stated that PLSD Director Kasey Daniel assisted with putting the Commission together and it met on May 7. The Commission has a big representation of constituents from the New Mexico education community, including the State Public Education Department, Albuquerque Public Schools, Rio Rancho Public Schools, and UNM School of Law. The Commission will be focusing on connecting the State Bar’s youth legal education programs with the larger New Mexico education community. The Bylaws have not yet been finalized by the Commission, but they will be brought to the Board for approval once they are finalized.
9. **Board of Bar Examiners Bar Passage Strategic Plan**

Jana Walker, Vice President of the Board of Bar Examiners, presented a report and update on the Board of Bar Examiner’s Bar Passage Strategic Plan. She noted that there have been improvements in bar exam passage rates but there are still some who don’t have high passage rates and those include Hispanics, Native Americans and African Americans. The plan applies to all, not just minorities and the three goals are to provide: 1) access to bar exam prep courses; 2) bar exam passage mentoring; and 3) information access about passing the exam, mentoring and scholarships. The BBE held a joint forum with the State Bar, sections, law school and voluntary bar associations last fall and they would like to hold another in mid-August. The BBE would like to discuss partnering with the Bar on an interactive bar exam strategy workshop and they have also talked with the law school about offering bar exam prep courses.

There have been difficulties in finding host firms in Farmington and Las Vegas, but it is hoped that it will be in place by October or November.

12. **Client Protection Fund Annual Report**

The 2009 Client Protection Fund Annual Report was included in the materials. Commissioner Voss presented the highlights of the report noting that the fund was set up to reimburse clients for the dishonest conduct of attorneys and claims are reimbursed up to $10,000. He stated that $88,000, funded through MCLE sanction fees, was paid out in claims for 2008, which is a significant increase in claims from previous years, and the Commission is exploring future funding options.

President Alaniz reported on the following:

**A. ABA Day**

He attended ABA Day in Washington, D.C., and met with the New Mexico Congressmen and Senators.

The team was coached by Commissioner David Berlin.

He attended several other conferences, banquets and meetings, including the Western States Bar Conference, NM Black Lawyers Conference, the MALSA Fighting for Justice Banquet and the UNM
School of Law Barrister's Ball, in addition to a presentation to the Paralegal Division, and meetings with the Compilation Commission, EAJ and the Second Judicial District Court regarding the Juvenile Mentor Program.

14. Executive Director's Report

Executive Director Joe Conte reported that the annual awards committee is meeting next week and that not many nominations had been received. The Jackrabbit Bar Conference, a conference of the smaller mountain states, will be held the first weekend in June and there will be a staff appreciation day at the zoo on June 15, and commissioners were invited to attend both of those. The directors will hold a retreat in August to review the strategic plan again and discuss the direction of their departments. He reminded the Board that the Bar covers two nights' hotel, mileage and registration for the annual meeting. The State Bar April Newsletter was included in the materials.

15. Bar Commissioner Districts and Divisions (SLD, YLD and PD) Reports

YLD Chair Martha Chicoski reported on projects and programs of the YLD including: Wills for Heroes, Children's Court Mentor Program, Ask-a-Lawyer Call-in Program, Voices Against Violence Program, and the Junior Judges Program.

SLD Delegate Dan Behles reported that the Division is organizing a CLE program that focuses on computer literacy for senior lawyers and they are also going to be doing a video presentation of the oral history project at the annual meeting.

Paralegal Division Liaison Kay Homan reported that the Division is assisting the YLD with the Wills for Heroes Project and the Division's membership is increasing by 4-5 new members each month; the Division is also conducting Brownbag Lunch CLE programs in Albuquerque, Santa Fe and Roswell for attorneys and paralegals.

Commissioner Orraj reported on the Disciplinary Board meeting that he attended. He noted that the Disciplinary Board discussed the unauthorized practice of law issue and whether or not they should handle UPL, since they only deal with disciplinary issues. The Disciplinary Board feels that UPL falls more within the jurisdiction of the attorney general and district attorney’s offices.

F. Reported that President Alaniz was authorized to sign a loan through Wells Fargo for $800,000, and that the Bar may only need to borrow $500,000 since the Board decided to lease, rather than purchase, the videoconferencing equipment; the loan will be repaid over five years, instead of eight, so the payment and amortization will be less than was anticipated.
3. **Acceptance of Financials**

Commissioner Voss made a motion to accept the May 2009 financials; the motion was seconded and it passed.

4. **Bylaws/Policies Committee Report and Recommendations**

Chair David Berlin reported on the June 25th meeting and requested the Board's approval of the following:

A. **Commissioner Terms/Partial Terms/Proposed Bylaw Amendment to Article IV, Section 4.2, Terms of Office, 4.2a, Length of Terms**

   At the May Board meeting, the Board approved bylaw amendments regarding spelling out that a commissioner's term commences January 1 and spelling out that a commissioner's term to fill a vacancy runs through December 31. There was a question as to whether partial terms count towards the three consecutive three-year terms and asked the committee to review the bylaw regarding terms and make a recommendation. The committee proposed the following change for which thirty days’ notice is required prior to approval, so a vote will be taken at the September meeting.

   **Section 4.2 Terms of Office.**  
   Subsection 4.2a. Length of Terms.  
   Commissioners shall be elected to terms of three years and shall hold office until their successors are elected or appointed and qualified. No Commissioner shall be elected to more than three consecutive three-year terms or serve more than 10 consecutive years.

B. **Recommendation Regarding Lobbying**

   Pursuant to the Board's request at the May meeting for the committee to discuss this item further, the committee recommended putting a Legislative Committee in place to look at and discuss general, rather than specific, issues and have the Board delegate issues that it would like the committee to discuss and follow through in the Legislature. Examples of relevant bills from the last legislative session were included in the materials. Commissioner Berlin made a motion to approve the committee's recommendation to form a Legislative Committee, and the motion passed. President Alaniz requested volunteers to serve on the committee, and Commissioners Jarrett, Pederson, Berlin, Anderson, Struck, Perez, Dutton, Voss and Shanor volunteered.

C. **Amendments to Email Services and Membership Data Policies**

   At the May meeting, the committee reviewed a request from one of the Bar’s Member Benefits Program providers to include member birth dates in the extracts that we provide for his mailings, so that he could send targeted messages to people of different ages. The committee recommended and the Board approved not providing birth dates or age ranges and the policies were amended to reflect that. The Board requested the committee to review the policies for any other exceptions or inconsistencies regarding data requested/provided, and the committee recommended the following changes: 1) define “User” as all individuals or entities, excluding the Supreme Court, lower courts, and the Supreme Court’s divisions or any entity that is governed by the rules of the Supreme Court (a separate policy will be drafted for the courts); 2) spell out that membership data includes names and addresses of record only; and 3) add an acknowledgement to user that members may opt out of email services and list sales; Commissioner Berlin made a motion to approve the amendments to the policies and the motion passed.
D. Bar Center Rental Rates

Commissioner Perez reported that at the Sandoval County Bar meeting, some members complained about the new policy of charging a room rental fee for court-ordered mediations. 3. **Acceptance of Financials**

Commissioner Voss made a motion to accept the October 2009 financials; the motion was seconded and it passed.

4. **Executive Committee Report**

President Alaniz reported on the following:

A. The Executive Committee met on October 21 regarding the YLD Chair position for 2010, and determined that the full Board needed to make a decision on the issue. Briana Zamora was due to succeed to the YLD chair position on January 1, 2009; however,
she received a judgeship and resigned from the YLD Board in December and was sworn-in to the Bench in January, at which time Martha Chicoski became acting chair. The YLD's interpretation of its bylaws is that, should the chair position become vacant, the chair-elect becomes acting chair and the next year becomes the chair. Bylaws and Policies Committee Chair David Berlin's interpretation of the bylaws is that Briana Zamora never took the office of chair, since she resigned from the YLD in December, and that Martha Chicoski would be serving two years as chair, which the bylaws do not permit. He stated that the YLD could request a bylaw change in order to permit her to serve two years. Following discussion, Commissioner Berlin made a motion for his interpretation of the bylaws to be adopted so that Martha Chicoski could not serve two years as chair; the motion was seconded, but it failed.

B. The Executive Committee was straw-pollled on November 18 regarding the National High School Mock Trial Program, which is considering holding the program in New Mexico in 2012. Commissioner Berlin asked whether the State Bar would support the program by committing to raise $50,000 for the event. The Bar would be working in conjunction with the Center for Civic Values to raise the money needed and host the program. The Executive Committee was in favor of hosting the program, but did not feel that it could commit the Bar to raising the funds for the event without the Board’s approval. Commissioner Voss made a motion for the State Bar to endorse holding the 2012 Mock Trial program in NM and to raise $50,000 for the program. The motion was seconded. Madonna Vandeventer suggested putting a check-off on the dues form for contributions. Commissioner Cloutier recommended that the fundraising be conducted under the auspices of the Bar Foundation so that donations would be tax-deductible. PLSD Director Kasey Daniel expressed concerns regarding a possible conflict with the EAJ contract in that EAJ is the only entity that can fundraiser to attorneys as well as the fact that PLSD is in a deficit having had their funding reduced for next year. Commissioner Berlin stated that CCV has committed to contributing approximately $90,000 and the National Mock Trial Board will contribute $25,000, so he asked for a commitment from the Bar for $50,000 to be raised. Commissioner Voss amended his motion to commit to raise $50,000 and if the total is not raised, then the State Bar will make up the difference. Following a vote, the motion passed with 11 in favor and four against.

The Board went into executive session to discuss a personnel issue.

6. Committee on Diversity in the Legal Profession Update Report and Recommendations

Arturo Jaramillo, Chair of the Committee on Diversity in the Legal Profession, presented the Status of Minority Attorneys in New Mexico Update – 1999-2009 and the committee's recommendations for the Board's approval. The Executive Summary of the report was included in the materials. He reported that this is the third decennial report on minorities in the profession and he thanked the Board for financing the report and for their support of the committee's work. While he was disappointed to see only a one percent increase in minorities in the profession, he was pleased to note that there is a higher awareness of diversity and much more tolerance and respect among the profession. The report also reflects a significant decrease in negative behavior. Some of the recommendations included continuing the initiative of recruiting lawyers coming out of law school and providing incentives to ensure that minority attorneys stay in New Mexico, more institutionalized networking and mentoring programs and working with law schools to expand on programs that encourage minorities to choose the legal profession. He encouraged commissioners to participate in the Summer Law Clerk Program, which is in its 20th year. He informed the Board that he has led the committee for 23 years and that he was tendering his resignation from the committee. The Board gave Mr. Jaramillo a standing ovation for his service. Commissioner Berlin made a motion to accept the report and recommendations; the motion was seconded and it passed.
7. Approval of Governmental Affairs Bylaws

The Governmental Affairs Committee (GAC) requested the Bylaws and Policies Committee to draft amendments to Article XI, Legislative Advocacy, of the State Bar Bylaws, to enable the committee to act quickly on issues before the Legislature. The amendments were approved by the GAC and e-mailed to the Board on November 4 in order to meet the 30-day notice requirement. Commissioner Berlin made a motion to approve the amendments. Commissioner Orraj requested a friendly amendment to the motion for the bylaw amendments to become effective at the end of the meeting, and Commissioner Berlin accepted the amendment. 8. Bylaws and Policies Committee Report and Recommendations

An amendment was requested to Section 4.5a, Meetings, to replace the language regarding BBC meetings being called “approximately every six weeks” to “at regular intervals at least quarterly.” An amendment was requested to Section 4.5, Subsection 4.5f, Parliamentarian, to include language that the Parliamentarian shall be a member of the BBC. An amendment was requested to Section 9.2, Committees, changing the language from “are funded” to “may be funded.” An amendment was requested to Section 10.2, Public Statements by Sections, Committees, Divisions and Commissions, to include “commissions” in subsections a, b and c. Commissioner Berlin made a motion to approve the revised bylaws, with the additional amendments requested at the meeting, and the motion passed.

9. Appointment to Client Protection Fund Commission

One vacancy existed on the Client Protection Fund (CPF) Commission, and a notice was published in the Bar Bulletin. One letter of interest was received from the Commission's current appointee, Henry A. Kelly, requesting that he be reappointed for another term. Commissioner Dutton made a motion to reappoint Henry A. Kelly to the CPF Commission; the motion was seconded and it passed.

10. Approval of Public Legal Education Commission Resolution

PLEC Chair Craig Orraj reported on the work of the Commission and a proposed resolution supporting health education as a graduation requirement in NM public schools for the Board's approval. Following discussion, it was determined that the issue did not fall within 11.2 of the State Bar Bylaws, but that the resolution could be presented on behalf of the Commission, so no action was taken by the Board.

The 2010 BBC meetings were presented as follows: February 26, April 30, July 15, September 24, November 5 and December 8. President-elect Shanor made a motion to approve the 2010 meeting schedule; the motion was seconded and it passed.

13. Elect New Secretary-Treasurer

Pursuant to the results of the BBC election, Carla C. Martinez, who had been elected Secretary-Treasurer at the November Board meeting, was not re-elected to the Board, so a new Secretary-Treasurer needed to be elected to fill the vacancy. Commissioner Pederson nominated Commissioner Drew Cloutier and Commissioner Cloutier was elected Secretary-Treasurer for 2010 by acclamation.

Due to lack of time, this item was tabled to the February meeting for further discussion.

There being no further new business, the meeting was adjourned.
