The Hotel Nacional is considered a symbol of Cuban history, culture and identity. With its privileged location in the middle of Vedado, the Hotel Nacional stands on a hill just a few meters from the sea, offering grandiose views of the **Malecón** - Havana's infamous seawall. When the Hotel Nacional opened in 1930, Cuba was a prime travel destination for many illustrious guests including Frank Sinatra, Ava Gardner, John Wayne, Marlene Dietrich, Marlon Brando, and Ernest Hemingway.

Private Bed & Breakfasts (or **Casas Particulares**) are a new form of private enterprise in Cuba affording Cuban homeowners and independent workers new employment opportunities, higher wages and incomes, increased Independence from the state, as well new ways to exchange with foreigners.

After check-in or as time permits, you may explore the surrounding neighborhood of **Vedado**. During your stay you may consider a walk along the Malecón or **La Rampa**. Once an old cooking oil factory, this repurposed complex is without doubt the hippest place in Havana. - 1:00 pm** Lunch at **Paladar Ajiaco** in Cojímar.
- 2:30 pm** We visit **Finca Vigía**, Ernest Hemingway's home in **San Francisco de Paula**. The home contains original furniture, artwork, personal memorabilia & other objects collected by the author. Of special importance is the author's library containing thousands of irreplaceable letters & telegrams, photographs, scrapbooks, manuscripts, and galley proofs.

Our tour will highlight some of the best examples to be found in this incredibly diverse area of the city where some of its most fascinating buildings were built using different architectural styles.
- Group visit to the whimsical fishing village of **Jaimanitas**, home of artist **José Fuster**, who has made a major contribution to rebuilding and decorating the neighborhood. 12:30 pm Arrive for our lecture and lunch at **Nazdarovie** - a Cuban-Soviet inspired restaurant on the Malécon. We will be greeted by **Gregory Biniowsky**, an attorney from Canada who moved to Cuba over 20 years ago. Gregory opened Nazdarovie as a way to pay homage to the Soviet women who settled and established families in Cuba. They have created a space of nostalgia and memories for the thousands of Cubans who spent 'the best years of their youth' studying at universities in the USSR - a nostalgia which transcends politics and ideology.

Lecture by Havana-based Canadian attorney **Gregory Biniowsky**. Gregory is a Canadian lawyer and political scientist who has lived in Cuba for more than 20 years, and has a diverse background involving a multitude of for-profit and nonprofit endeavors, including teaching at the **University of Havana**, doing consulting work for foreign companies exploring or setting up ventures in Cuba, and working as a consultant for the **Canadian Embassy** and **United Nations** in Havana. Gregory presently works for the Canadian based international law firm *Gowlings WLG*, focusing on offering strategic advice, business intelligence, and venture options to prospective investors and companies, from around the world, who are looking at the Cuban market. Gregory will share his personal insights into Cuban society, the evolving political landscape, and the fast changing business and investment environment.

This group of supremely talented young music professors represent the finest artists of their generation. The 16-member orchestra will perform a medley of international classical favorites as well as several Cuban compositions.
