How would you like to snap your fingers and instantly judges, jurors, and clients would agree with your position? It may not be that easy, however you can dramatically improve your chances for success if you understand how people make decisions and what causes them to act. Influence is a dynamic CLE program that draws on the latest scientific research to illustrate how you can ethically influence clients, colleagues, and members of the court to see things your way—albeit without resorting to manipulation. Best of all, you'll leave this session with practical ideas you can apply right away.
